- 3.3 Notwithstanding the termination of this MOU, the terms contained in Clause 4 below, in relation to confidentiality and non-disclosure, shall survive for a period of 2 (Two) years from the date of termination of this MOU.

4. CONFIDENTIALITY AND NON-DISCLOSURE

- 4.1 Each Party hereby acknowledges that, based on the Party’s past or current relationship with the other Party such Party has had access to, or may have access to and become acquainted with the Confidential Information (*as defined below*) of the other Party. Each Party hereby covenants and agrees that it shall not, in any fashion, form or manner, unless previously and specifically consented to in writing by the other Party, either directly or indirectly use, divulge, transmit or otherwise disclose or cause to be used, divulged, transmitted or otherwise disclosed to any person, firm, partnership, corporation or other entity now existing or hereafter created, in any manner whatsoever (other than to its directors, officers, employees and advisors and other than as required by law), any of the disclosing Party’s Confidential Information of any kind, nature or description. Each Party hereby further acknowledges and agrees that the sale or unauthorized use, transmission or other disclosure of any of the disclosing Party’s Confidential Information which is in their possession constitutes unfair competition and the receiving Party covenants and agrees that it shall not engage in any unfair competition with the disclosing Party. The foregoing provisions shall not be construed to prevent the receiving Party from making use of or

Disclosing information that is in the public domain through no fault of receiving Party; provided, however, specific information shall not be deemed to be in the public domain merely because it is encompassed by some general information that is published or in the public domain. The foregoing provisions shall also not be construed as preventing Company from reasonable and bona fide efforts to promote the Company using Personality's Services.

- 4.2 "**Confidential Information**" shall mean (a) this MOU and any information which is disclosed by any Party to the other Party pursuant to, or in connection with this MOU (whether orally or in writing and whether or not such information is expressly stated to be confidential); (b) any dispute or claim arising out of or in connection with this MOU or the resolution of such claim or dispute; (c) any information or materials prepared by or for the Parties or its representatives that contain or otherwise reflect, or are generated from the Confidential Information; (d) in case of the Company, any trade secrets, information, ideas, concepts, processes, techniques, or any other Intellectual Property, any information or data relating to the affairs of any Party including any project, work in progress, reports, statistics, summaries, records, future business, revenue projections, operational or financial plans, financing or personnel matters, information relating to present or future works, views, subscribers, clients, customers, employees, key persons engaged by the Company. Confidential Information shall not include any information in the public domain, provided, however, specific information shall not be deemed to be in the public domain merely because it is encompassed by some general information that is published or in the public domain.

5. REPRESENTATIONS AND WARRANTIES

- 5.1 Each Party hereby represents and warrants to the other Party that it has the legal capability to grant the rights under this MOU and to satisfy its obligations and responsibilities hereunder.
- 5.2 Other than as specifically provided herein, each Party warrants that it shall not represent to any third Party that it is acting on behalf of the other Party and in no case shall each Party create or allow the creation of the impression that the other Party has any direct or indirect relationship with or liability to the beneficiaries or such other third party.
- 5.3 Each Party ('Indemnifying Party') agrees that it shall, at its own expense, indemnify, defend and hold harmless the other Party and the other Party's officers, directors, employees, representatives, agents, respective directors, trustees and assigns from and against any and all direct liability (including but not limited to liabilities, judgments, damages, losses, claims, costs and expenses, including attorneys' fees and expenses) and any other direct loss that may occur, or arise from or relate to malfeasance, misfeasance or deliberate negligence or breach of any representations or warranties by the Indemnifying Party, in the performance of the Indemnifying Party's material obligations under this MOU.
- 5.4 To the extent permitted by applicable law, in no event shall either Party be liable for any special, indirect, consequential, exemplary or incidental damages, however caused to the other Party, arising out of or relating to this MoU.

6. INTELLECTUAL PROPERTY RIGHTS

- 6.1 Each Party acknowledges the intellectual property rights of any kind, including but not limited to copyright, patent rights, design rights, service marks, trademarks, logos, titles, slogans, property rights and any other rights, held by the other Party. The Parties undertake that neither of them shall claim any right, title and interest in the intellectual property rights of the other Party.
- 6.2 During the Term, each Party grants the other Party a limited, non-exclusive, royalty-free right under this MOU to use its name and logo for the purposes of public relations and promoting the association between the Parties under this MOU, including without limitation, promoting over social media platforms, promotional material as approved by the other Party in writing and all related collateral.

Each Party shall obtain the other Party's approval before using the other Party's name and logo in public relations, promotional and related communications as provided herein, it being agreed by the other Party that such approval shall not be unreasonably withheld or delayed. Further, it is clarified and agreed among the Parties that any such approval granted shall sustain during the Term for repeated use of such approving Party's name and logo in similar public relations, promotional and related communications for purposes of the Programme defined herein.

- 6.3 The Parties agree that subject to the licenses granted hereinabove, any intellectual property rights created by either Party in the course of giving effect to this MOU shall be owned by the Party that creates the same.

7. GOVERNING LAW, DISPUTE RESOLUTION AND JURISDICTION

This MOU shall be governed by and construed in accordance with the laws of the Republic of India. Any dispute under this MOU shall be resolved by arbitration by a sole arbitrator appointed in accordance with the Arbitration and Conciliation Act, 1996, in Bengaluru, India. The courts of Bengaluru, India shall have jurisdiction over this MOU.

8. MISCELLANEOUS

This MOU constitutes the entire agreement between the Parties with respect to the Agreement and supersedes all prior written agreements and understandings, both written and oral, between the Parties with respect to the Agreement. This MOU shall be binding in all respects and shall govern the relationship between the Parties. This MOU shall be binding upon executors, successors in interest and permitted assigns of the respective Parties. Any provision of the MOU may be amended or waived if, and only if such amendment or waiver is in writing and signed, in the case of an amendment by each Party, or in the case of a waiver, by the Party against whom the waiver is to be effective. Either Party may not, assign, in whole or in part, the benefits or obligations of the MOU to any other person without the prior written consent of the other Party. The MOU may be executed in counterparts, each of which when executed shall constitute an original, but both of which when taken together shall constitute one and the same agreement. Nothing contained in this MOU shall be construed as creating any agency, legal representative, partnership, association of persons or other form of joint enterprise between the Parties. Neither Party shall have authority to contract for or bind the other in any manner whatsoever.

IN WITNESS WHEREOF, the Parties hereto have executed and delivered this MOU as of the date and year first written above.

Memorandum of Understanding

This Memorandum of Understanding is entered on 14-12-2021 ("Effective Date") by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "Edunet"); and,

VISAKHA INSTITUTE OF ENGINEERING & TECHNOLOGY having its address 57th DIVISION, NARANA, GVMC, VISAKHAPATNAM - 530027

(hereinafter referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the Tech Saksham Program (www.techsaksham.org) and SkillsBuild (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	2008
Recognition, NAAC rating, ranking:	AICTE, NAAC B++
Vision:	TO PRODUCE SKILLFUL ENGINEERS

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called "**MOU**") witnesses the following.

- 1. Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
- 4. Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- 5. Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local

underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.

6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
7. **Responsibilities of Edunet and/or its program sponsors/partners:**
 - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
 - d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
 - e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - f. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
 - g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
 - h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
 - i. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
 - j. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)
8. **Responsibilities of Institution:**
 - a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
 - b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
 - c. **Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
 - d. **Support with computers labs and classrooms:** Institute will make its labs available to learners. It will make classrooms and/or audio-visual equipment available for face to face sessions, whenever required.
 - e. **Support with attendance:** Institute will ensure that program participants enthusiastically

- participate in chosen programs, with minimum attendance as agreed between the Parties.
- f. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
 - g. **SIE chapter:** The Institute will support the SIE chapter, led by its students, to the extent possible.
 - h. **No fees:** Institute will not charge any extra fees from learners for participation in Edunet programs.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date.

In the year 1945, the school was made a feeder of the Osmania University preparing students for the H.S.C public examinations. The late Nawab Sir Nizamath Jung, an illustrious son of the founder was associated with the school as honorary secretary for over 50 years till he retired in 1947 and during his regime the school made rapid strides on the path of progress. Telugu medium classes were opened as parallel section in the year 1955. In 1964, English classes were opened and in the year 1987, a modern school in English medium with name "Neo School Aizza" was established. The year 1999 was a landmark in the history of the educational society when the management decided to start an Engineering College in the educationally backward region of ADILABAD. The Engineering College is functioning for the past 11 years very successfully. The college is one of the best Engineering Colleges imparting quality education with values. It is affiliated to OSMANIA UNIVERSITY (OU) and approved by All India Council for Technical Education (AICTE).

- 1.1 The Parties intent to cooperate and focus their efforts on cooperation within area of Training, Placement, Education, Consultancy, Research and other Technical matters.
- 1.2 Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERE TO AGREE AS FOLLOWS:

2. CO-OPERATION

- 2.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
- 2.2 The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 2.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MoU.
- 2.4 The terms of cooperation shall be mutually decided between the Parties on case-to-case basis. This MoU shall represent the entire understanding as to the subject matter hereof and shall encompass any prior understanding between the Parties on the subject matter hereof.

3. SCOPE OF THE MoU

- 3.1 The talented students from the institutions could play a key role in technological upgradation, innovation and competitiveness of an industry. Both Parties believe that close cooperation between the two would be of major benefit to the student community to enhance their skills and knowledge.

- 3.2 Curriculum Design:** Second Party may participate in this process as and when the First Party extends invitation for such activity. The cooperation may be sought in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 3.3 Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party may permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with First Party.
- 3.4 Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of their expertise. The outcome of the R&D would be subject to the INTELLECTUAL PROPERTY section of this MoU.
- 3.5 Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready and vice-versa.

- 3.8 Training and Placement of Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for the students.

- 3.9 Consultancies, R&D and other Academic Matters:** The Parties will extend cooperation to each other in such a manner that it is mutually beneficial but does not create a conflict of interest on either's part. If such situation arises, the terms mentioned in the ARBITRATION section of this MoU would be resorted to.
- 3.10 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 3.11 There is no financial commitment on the part of the First Party. However, in case of sponsored/financially supported or externally funded programs, the liability of the First Party will be limited to the extent of financial benefit of First Party or may be decided by the competent authority of First Party in the interest of students.
- 3.12 Each Party agrees that it shall not, at any time, after executing the activities of this MoU, disclose any information in relation to these activities or the affairs of business or method of carrying on the business of the other without consent of both Parties.
- 3.13 It is expressly agreed that First Party and Second Party are acting under this MoU as independent entities, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

4. INTELLECTUAL PROPERTY

- 4.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.
- 4.2 The rights of the First Party are reserved through the IPR Policy of the First Party. Notwithstanding anything, any consequence arising out of this MoU would not infringe/contravene any of the provisions of the IPR Policy of the First Party.

5. ARBITRATION

- 5.1 Any dispute arising with regard to any aspect of this MoU shall be settled through mutual consultations and agreements by both Parties.

VISAKHA INSTITUTE OF ENGINEERING & TECHNOLOGY, 88th Division , Gvmc , Narava , Visakhapatnam , Andhra Pradesh , 530027. THE FIRST PARTY represented herein by its **Dr. V. Sridhar Patnaik**, Principal (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

AND

ANU DIGITALS , THE SECOND PARTY, and represented herein by its **Pranathi .D**, Director (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors — in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

First Party, **VISAKHA INSTITUTE OF ENGINEERING & TECHNOLOGY** is located in 88th Division , Gvmc , Narava , Visakhapatnam , Andhra Pradesh , 530027.

This institution has been established under the aegis of MADARSA-I-AIZZA, a registered educational society registered on 28th December 1961 under the Hyderabad societies registration Act No. 1 of 1350 fosli. In fact the Madrasa-i-aizza was founded in the year 1876 AD by the efforts of Moulvi Shaik Ahmed Husain sahib, Nawab Rafi Yar Jung, with the express object of imparting liberal / scientific / professional education to the children of Muslim community. In the year 1945, the school was made a feeder of the Osmania University preparing students for the H.S.C public examinations. The late Nawab Sir Nizamath Jung, an illustrious son of the founder was associated with the school as honorary secretary for over 50 years till he retired in 1947 and during his regime the school made rapid strides on the path of progress. Telugu medium classes were opened as parallel section in the year 1955. In 1964, English classes were opened and in the year 1987, a modern school in English medium with name "Neo School Aizza" was established. The year 1999 was a landmark in the history of the educational society when the management decided to start an Engineering College in the educationally backward region of ADILABAD. The Engineering College is functioning for the past 11 years very successfully. The college is one of the best Engineering Colleges imparting quality education with values. It is affiliated to OSMANIA UNIVERSITY (OU) and approved by All India Council for Technical Education (AICTE).

Second Party, **ANU DIGITAL SOLUTIONS**, located in the city of Hyderabad was established in the year 2016 and is registered as <http://thestageproductions.in/>.

This institution has been established under the aegis of MADARSA-I-AIZZA, a registered educational society registered on 28th December 1961 under the Hyderabad societies registration Act No. 1 of 1350 fosli. In fact the Madrasa-i-aizza was founded in the year 1876 AD by the efforts of Moulvi Shaik Ahmed Husain sahib, Nawab Rafi Yar Jung, with the express object of imparting liberal / scientific / professional education to the children of Muslim community. In the year 1945, the school was made a feeder of the Osmania University preparing students for the H.S.C public examinations. The late Nawab Sir Nizamath Jung, an illustrious son of the founder was associated with the school as honorary secretary for over 50 years till he retired in 1947 and during his regime the school made rapid strides on the path of progress. Telugu medium classes were opened as parallel section in the year 1955. In 1964, English classes were opened and in the year 1987, a modern school in English medium with name "Neo School Aizza" was established. The year 1999 was a landmark in the history of the educational society when the management decided to start an Engineering College in the educationally backward region of ADILABAD. The Engineering College is functioning for the past 11 years very successfully. The college is one of the best Engineering Colleges imparting quality education with values. It is affiliated to OSMANIA UNIVERSITY (OU) and approved by All India Council for Technical Education (AICTE).
