FEEDBACK ON FACILITIES

FOR THE ACADEMIC YEAR 2021-22

OBJECTIVE OF THE FEEDBACK

The institution aims to provide the best possible environment and learning experience to encourage students to perform to their full potential for academic achievement. The institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum/syllabus and curriculum related issues. The feedback forms were collected from stake holders. Based on the outcomes, service polices can be revised. The collected and consolidated responses are in quantitative terms for the academic year 2021-22.

FEEDBACK ON FACILITIES

FOR THE ACADEMIC YEAR 2020-21

OBJECTIVE OF THE FEEDBACK

The Institution aims to offer the best possible environment and learning experience to encourage students to perform to their full potential for academic achievement. Stakeholders i.e., students, teachers, employers play an important role in the evaluation, development and enhancement of quality of this learning process.

ACTION TAKEN:

The curricular related suggestions are represented to the university affiliated to it. Formal instructions were circulated to all the heads of departments through competent authority for addressing the issue of increasing practical sessions with hands on training in small groups.

Teachers paid more attention to the practical training on skill oriented workshops. It has helped in dealing the topics taken in the lectures and also helped in developing technical skills of the students because of hands on experience. Efforts were made by the teachers for periodic Industry visits.
