Report on Yoga Day 2023

Theme: "Yoga for Vasudhaiva Kutumbakam"

Visakha Institute of Engineering & Technology celebrated the 9th International Yoga Day to create awareness on the physical and mental well – being among faculty and students at the seminar hall on 21/06/2023 at 09.00 AM.

Mr.M.Uday Bhaskar, HoD of BS&H department spoke about 'The Positive Framework of Meditation'. He began by explaining how negative thoughts disturb a person. Negativity she said increases the hormonal imbalance in people and thus there is a confusion of thoughts leading to stress. Purity of thought increases mentally and physically strong people, which further create a positive nation leading to positive world.

VIET Principal Dr.V.Sridhar Patnak told the students that the International Yoga Day is a gift to the world by PM Modi, who put forward proposal on 11th December 2014 in the United Nations General Assembly (UNGA), which was accepted by 193 Nations. 21st June is since been celebrated as International Yoga day. Principal explained the importance of breath in meditation. He told the students they should read ancient Indian texts like Pananjali Maharishi's 'AshtangYog' along with personality development books by International writers. Sir encouraged the students to practice Yoga and meditation on a regular basis for a healthy body and mind.

Our college **Chairman Sri.G.Satyanarayana garu** told that the essence of yoga is balance - not just balance within the body or that between the mind and the body, but also balance in the human relationship with the world. Yoga emphasizes the values of mindfulness, moderation, discipline and perseverance. When applied to communities and societies, Yoga offers a path for sustainable living.

Ch.Veerunaidu, NSS Program officer, VIET said that in addition to the human suffering, the COVID-19 pandemic has also highlighted several key vulnerabilities of the economic and

developmental models of countries around the world. Future prosperity demands that the member states rebuild differently as they recover from the COVID-19 pandemic.

The function ended with a vote of thanks by **Dr.K.Dayana**. The function was organised by NSS officer along with all the HoD's and staff who put in a lot of effort to make the function a success.

Yoga can be an important instrument in the collective quest of humanity for promoting sustainable lifestyle in harmony with planet Earth. In keeping with this spirit, the theme for this year's Yoga Day celebrations is **"Yoga for Vasudhaiva Kutumbakam"**

All HoDs and Staff and students were present make the day grand success.

A REPORT ON TEACHERS DAY CELEBRATIONS

Teachers' Day is celebrated to honor the memory of India's first Vice President and to commemorate the importance of teachers in our lives. During his tenure as a President of India (from 1962-67), his students and friends requested him to celebrate his birthday. He replied, "Instead of celebrating my birthday, it would be my proud privilege if September 5 is observed as Teachers' Day." Since then, his birthday has been observed as Teachers' Day.

Pandit Jawaharlal Nehru once said on Radhakrishnan, "He has served his country in many capacities. But above all, he is a great teacher from who all of us have learnt much and will continue to learn. It is India's peculiar privilege to have a great philosopher, a great educationist and a great humanist as her President."

5th of every year is celebrated as "Teacher's Day" to commemorate the birth anniversary of Dr. Sarvypalli Radha Krishnan garu. In Visakha Institute of Engineering & Technology College, this day was celebrated very grandly. Our management, principal sir, HoD's and teaching staff also attended.

Our Principal Dr. V. Sridhar Patnaik garu said that "If there were no Teachers, all other Professions would not exist". Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

Some other programs were also presented by the students. On that day, senior students took on the responsibility of teaching as a gratitude to our teachers. All the teachers were given a decorated rose flower and chocolate by the students. In the end, all the students thank all the teachers for providing a great education.

REPORT ON CHRISTMAS CELEBRATION -2023

Christmas is the season of joy, holiday greetings exchanged, gift-giving, and families getting united. The Christmas celebrations took place in the college campus on 20th December 2023. The program started with a prayer to invoke the blessing of God. The celebrations included a rhythmic performance from the college choir and an add-on surprise package by Santa Claus. Some of the students dressed as Santa Claus arrived and filled the entire crowd with joy and distributed toffees to the faculty & students.

Christmas is the festival which inspires the spirit of sharing and caring. The college was beautifully decorated and most of the faculty was dressed in red and white. The programme started with information about Christmas and why is it celebrated. A beautiful skit followed depicting the scenes of the nativity of Jesus Christ.

Right from the conception of Mary to the birth of Jesus a harmonious story was displayed by the students. The event ended with cheerful Christmas greetings as the students danced to the melodious tunes of 'Jingle Bells' and 'We wish you a merry Christmas.' The dazzling entry of Santa Claus added to the joy and excitement of the students. The boundless joy of celebrating the festival was visible on the faces of all the children. It was a joyous and amusing programme for everyone.

The whole college was a festive look and was beautifully decorated. Students and teachers were also dressed in red attire. The significance of this festival was told to the students. The children enjoyed to the beats of "Jingle Bells" and wished Merry Christmas to their friends and teachers. They exhibited their creativity by decorating and displaying them in their classes. Such celebrations bring happiness and togetherness among the students and also inculcate the spirit of sharing and giving in them.

The students had decorated the hall like a bride. There was the Christmas tree decorated with lamps and toys and flowers in one corner of the hall. We had also decorated the stage with Merry Christmas.
