TEACHERS' DAY CELEBRATIONS, 2023

Teachers' Day is celebrated to honor the memory of India's first Vice President and to commemorate the importance of teachers in our lives. During his tenure as a President of India (from 1962-67), his students and friends requested him to celebrate his birthday. He replied, "Listead of celebrating my birthday, it would be my proud privilege if September 5 is observed as Teachers' Day." Since then, his birthday has been observed as Teachers' Day.

Pandit Jawaharlal Nehru once said on Radhakrishnan, "He has served his country in many capacities. But above all, he is a great teacher from who all of us have learnt much and will continue to learn. It is India's peculiar privilege to have a great philosopher, a great educationist and a great humanist as her President. 5th sep of every year is celebrated as "Teacher's Day" to commemorate the birth anniversary of Dr. Sarvypalli Radha Krishnan garu. In Visakha Institute of Engineering & Technology College, this day was celebrated very grandly. Our management, principal sir, HoD's and teaching staff also attended.

"If there were no Teachers, all other Professions would not exist". Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students
